

NOTICE TO TRADE

ALL CONTAINER TRANSPORTERS ASSOCIATION OF NHAVA SHEVA-MAHARASHTRA.

The container transport operators at Nhava Sheva in Maharashtra have decided to voluntarily keep vehicles off the road due to difficulties faced by members on the following issues:

- 1. Empty Container Storage Yards:** The members have been voicing their concerns on various forums regarding unfair practices prevalent at the storage facilities of the shipping lines for which we have appealed to the CSLA and JNPA to issue directives to their nominated yards to stop collecting Container loading / Container offloading / Damage Charges / Parking charges / CPP parking Charges from transporters and the same may be collected / recovered from the Importers / Exporters or their authorized agents directly while issuing the Delivery Order and not to detain the vehicles of our members approaching for offloading / loading in empty container yards who act as carriers, carrying containers at owners risk on behalf of Consignee / Consigner / Clearing Agent.
- 2. Road Condition Of Talled Highways:** The condition of roads on the Mumbai-Gujarat/Gujarat-Nashik Highway has deteriorated to such an extent that the member's vehicles are getting damaged extensively and above traffic snarls of 12 hours has nearly doubled the turnaround time reducing the sustainable trip average, we request withdrawal of all toll collections on these routes w.e.f. 01.07.2024, and the amount collected may please be reverted to the wallet account of toll users.
- 3. Misuse Of E-Challan Procedure:** The traffic police are misusing the E-Challan, violating the principal concept of human interference less penalties implementation and being levied on our members in large numbers, the entire approach is now target-driven for revenue collection rather than being a cause of Justice, the whole traffic police force is now engaged in shooting vehicle number plates rather than safeguarding the smooth flow of traffic.

ATTENTION IS HEREBY DRAWN TO ALL STAKEHOLDERS IN PARTICULAR IMPORT AND EXPORT TRADE, THAT ALL MEMBERS OF THE CONTAINER TRANSPORTERS ASSOCIATION OF NHAVA SHEVA-MAHARASHTRA, WILL VOLUNTARILY KEEP THEIR VEHICLES OFF THE ROAD FROM TUESDAY, 20TH AUGUST 2024, TO SEEK REDRESSAL OF OUR LEGITIMATE PROBLEMS.
