- The New SIMS format only need to mention in the Sims registration field and date is not need to mention the date included in the New SIMS Registration number so the date field is disabled in the software
- Old SIMS registration details have to mention in the new format in the same field
- For example old certificate no STL1234567 issue date is 29/07/2024 this has to mention in new below given format
Format is :- **MOSSIMS(DDMMYY)then cert no(last 6 digit)**
Example:- **MOSSIMS290724123456** like this have to mention
