

### New eBond Declaration Release in Impex cube Import Module

**eBond Declaration** - If import declares e-Bond, then instead of declaring bond code as EB, following purpose code should be provided in Bond Code column relevant for the purpose for which eBond is declared and mapped to the eBond.

**[Source : Public Notice No.13/2025-Office of the Principle Commissioner of Customs (Air Cargo), Chennai]**

#### **The Bond Scenarios**

- (i) Provisional Assessment (Scenario A)
- (ii) Export Promotion Schemes (scenario B)
- (iii) Import as per Section 143 (scenario D)
- (iv) Warehousing (Scenario E)
- (v) Manufacture and Other Operations in Private Warehouses/Warehousing (Scenario F)
- (vi) Manufacture and Other Operations in Special Warehouses/Warehousing (Scenario G)

#### **List of Scenarios with Purpose Code**

| SCENARIO                                | CODE | Purpose                                                                                    | BG %age | Quantum of BG                |
|-----------------------------------------|------|--------------------------------------------------------------------------------------------|---------|------------------------------|
| <b>Provisional Assessment (Scenario</b> | P1   | Carotar-PSU/Government (Central/State and their Undertakings)                              | 0       | Differential Duty            |
|                                         | P2   | Carotar - All other categories including AEO                                               | 100     | Differential Duty            |
|                                         | P3   | SVB - All other importers in case of initial period till non-compliance as per cir 05/2016 | 5       | Differential Duty            |
|                                         | P4   | SVB - AEO T1 in case of initial period till non compliance as per cir 05/2016              | 2.5     | Provisional Assessable Value |
|                                         | P5   | SVB - AEO T2 in case of initial period till non compliance as per cir 05/2016              | 1.25    | Provisional Assessable Value |
