

SERVICE REPORT

Services under this Repair Order Form are subject to Dell's standard terms & conditions, in particular the terms & conditions of service & support, available at www.dell.com. It is the Customer's sole responsibility to complete a backup of all existing data, software, and programs on affected systems before receiving Services (including telephone support). Except as agreed to in writing between Customer and Dell, Dell's service offerings do not include the loading or reloading of the Customer's application software or the Customer's data as set forth in your service description, available at www.dell.com/servicecontracts/global. DELL WILL NOT BE RESPONSIBLE FOR LOSS OF OR RECOVERY OF DATA, SOFTWARE, AND PROGRAMS OR DAMAGE TO DATA, SOFTWARE AND PROGRAMS OR LOSS OF USE OF ANY COMPUTER OR NETWORK SYSTEMS.

84447493164	FHFDLG3	Next Business Day	LATITUDE 3420	1/5/2024 5:38:35 PM	Yes

REPLACEMENT PARTS				
No.	Dell Part	QTY	Description	Parts Retained by Customer
1	HJW4D	1	Cable, DC-IN	No

Customer acknowledges and agrees that Dell owns all parts removed from the system. Customer confirms that if they retain the parts temporarily they will return the defective parts(s) within 10 days from the completed date stated in this form and in accordance with Dell's Terms and Conditions of Service and Support. Customer agrees that if the Original Part is not returned to Dell within the agreed time frame, an invoice will be issued to the Customer by Dell for the value of the part at Dell's current price and Customer will be liable to pay Dell this amount invoiced. If Customer holds a Dell extended warranty service that permits the retention of specified services parts, such as the Keep Your Hard Drive service, the terms of that service will supersede the Customer obligations described in this paragraph, and Customer will not be invoiced for the relevant service parts not returned to Dell within the agreed 10 day time frame.

DIAGNOSTICS
ePSA Pass

COMMENTS FROM ONSITE ENGINEER
customer reported charging issue laptop check found same issue DC port loose charging connect or disconnect issue replace DC port now working checked by customer all hardware tested ok passed epsa test done
